If you have been found ineligible for Medicaid, Virginia's Insurance Marketplace is here for you.

Maintaining health insurance is important to staying well. The Marketplace provides high-quality health plans at an affordable cost. In fact, many customers can get coverage for **less than \$10 a month**. By enrolling in a plan today, you can ensure that you and your family have access to critical health services and avoid large out-of-pocket expenses in the event of an emergency.

Who can apply?

Virginians who have lost Medicaid coverage between March 31, 2023, and September 30, 2024, are eligible for a **Special Enrollment Period** to apply for a health plan for 2024. After you submit an application, you have 90 days to complete plan enrollment. In most cases, coverage can start as soon as the first day of the next month. If you don't apply during the Special Enrollment Period, you can apply during the next **Open Enrollment Period** from November 1, 2024, through January 15, 2025.

Nearly 9 out of 10 Virginians are eligible for financial assistance, and many can find plans for less than \$10 per month.
