

NEWSLETTER 1 –SPECIAL ENROLLMENT

Subject: You may qualify for a Special Enrollment Period!

Do you still need health insurance? You may qualify for a Special Enrollment Period! Outside of the annual Open Enrollment Period (November 1 – January 29), Virginians can purchase a health plan on Virginia's Insurance Marketplace or make changes to their existing plans if they qualify.

You may qualify for a Special Enrollment Period if you've experienced certain changes in your circumstances known as Qualifying Life Events. Qualifying Life Events include, but are not limited to:

- Losing health insurance, including losing employer-sponsored coverage.
- Changes in household, such as getting married or having a baby.
- Changes in residence, such as moving to Virginia from another state.

If you qualify, you'll have 60 days from the Qualifying Life Event to enroll in a new health plan. Do not miss your chance to get coverage for 2026! Visit Marketplace.Virginia.gov/Special-Enrollment today to see if you qualify for a Special Enrollment Period!
